NOTES OF CHERRY
& GRAPEFRUIT

SERVE CHILLED

Gulp Hablo Fresco is a pale ruby-pink wine with a slight haze, suggesting minimal intervention. The nose is pronounced and highly aromatic, showing fresh red cherry, wild strawberry, and cranberry, alongside citrus zest, white flowers, Mediterranean herbs, and a faint earthy, stony note. There is a subtle fermentative lift that adds a natural, co-fermented character, while the overall aromatic profile remains clean, vivid, and youthful.

WINE TASTE:

On the palate, it is light-bodied with a smooth, supple texture and moderate alcohol. The attack is fresh and juicy, with crisp red-fruit flavors supported by bright acidity. The fruit profile is complemented by herbal and mineral nuances, giving the wine both charm and complexity. Tannins are very light and barely perceptible, contributing more to shape than structure. The finish is medium in length, dry, and refreshing, with lingering notes of red berry fruit, citrus peel, and savory herbs.
