LA TREMENDA Sauvignon Blanc & Merseguera 2020

75cl. CODIGO GTIN13/EAN: 8 424671 001319

SPECIFICATIONS:

Variety: "Coupage" made with two varieties: 85% Sauvignon Blanc & 15% Merseguera.

Vinification: Each variety is vinified separately and is fermented in small stainless steel tanks in a very low temperature 16°, in order to concentrate in the juice the maximum quantity of aromas and freshness.

At the end of the alcoholic and malolactic fermentation, both wines are joined and kept in contact with the yeast and fine lees until the moment of bottling.

Certification: European certified V-Level wine by the Spanish Vegetarian Union as a VEGAN wine. In the process of this wine, no materials of animal origin or derivatives thereof have been used.

Alc. 13% Vol.

ORGANOLEPTIC CHARACTERISTICS:

Bright yellow with greenish flashes

The *Sauvignon Blanc* variety gives us citric notes, white flowers of great intensity.

The *Merseguera* variety with a very low presence in Spain, the 70% is located in the Valencian Community, gives us a lot of freshness, nerve and very good acidity. It has a very interesting saline point, and the Mediterranean is highlighted with notes such as thyme. It is a variety very resistant to water stress.

Bodega situada en: Camino del Romeral, 42 – 03580 Alfaz del Pi (Alicante) España. Telf: (+34) 965 888 639
