

Coca i Fitó Dolç

Sweet red wine from late harvest, DO Montsant

Wine Description

Sweet wine made from old vine Grenache and Carignan planted in clay and calcareous soils. Late harvest wine, aged in barrels of French oak and Cherry wood. A wine with a driving freshness, clean, full of mature black berry fruit, spices and developed notes from the barrel ageing. A wonderful and surprising wine that works as an aperitif given its freshness, or on its own. The wine also works well with meats, cheeses and chocolate. A seductive wine for special occasions.

Tasting note:

Color: Intense dark cherry, violet rimmed.

Nose: Inviting notes of sweet fruits, wild strawberry, ripe cherry, violet flower and sweet spices.

Palate: Velvety, penetrating attack. Full-bodied and sweet, yet balanced by the freshness provided by high acidity. Mature black berry fruits with fresher notes of red berries, violets, apricot and dried peach, white chocolate, cinnamon, incense. Spicy notes persist throughout the tasting.

Food pairing:

The perfect match: Pavlova with *crème Catalan* (crème brûlée) and berry fruits.

Solid picks: As an aperitif, dark chocolate, savoury crepes, game, blue cheeses

Surprising hits: Hazelnut chocolate cake, Stilton cheese, foie, roasted boar, Iberian ham, smoked eel, Peking-style duck.
