

ENRIQUE MENDOZA

VITICULTOR

ENRIQUE MENDOZA CHARDONNAY JOVEN 2025

Landscape Wine

ORGANOLEPTIC CHARACTERISTICS:

The wine has a pale-yellow colour with golden highlights.

In the olfactory phase the spring appears. Freshness predominates with hints of citrus fruits, lychee, tropical fruits such as mango, pineapple, and light floral aromas.

In the mouth the high acidity predominates, which gives it its characteristic freshness and it has a medium volume in the palate that gives it unctuousness.

A wine that conveys the joy and the spring of the Mediterranean.

Alcohol Content: 13 % Vol.
75cl. - GTIN13/EAN CODE: 8 424671 001111
150cl. - GTIN13/EAN CODE: 8 424671 001357

SPECIFICATIONS:

Landscape Wine: It is a selection of vineyards within a certain landscape which helps us to express the best of it. Its unique character. The landscape is the main character, with its vines, its soils, and its history.

Variety: 100% Chardonnay from our vineyards on the slopes of "Cabezo de la Virgen" in Villena.

Vinification: The grapes are refrigerated in chambers for 24 hours, and then fermented at a low temperature (15°C). The wine was left in contact with the yeast and its lees until the moment of bottling.

Certification: European certified V-Level wine by the Spanish Vegetarian Union as a VEGAN wine. In the process of this wine, no materials of animal origin or derivatives thereof have been used.
